402 Franklin Street • Michigan City, Indiana 46360

### Presentation

Tuesday, May 27, 2014

Buffet dinner: 5:30 p.m.

Program: 6:30 p.m. – 7:30 p.m.

## A Solid Foundation on Tick-Borne Disease Plus a Few Surprises About Lyme

Presented by

**Kathleen A. Spreen, DO, MPH**

**Objectives - At the conclusion of this activity the participant should be able to:**

- Understand the scientific fundamentals underscoring the various tick-borne diseases including basic pathophysiology, immunology, and the complexities involved with laboratory testing, diagnosis and treatment
- Recognize the options around management of Lyme disease and the limits of the current evidence-base
- Express confidence in working with Tick-Borne Illness (TBI) patients and know where to find additional resources

**All Physicians, NPs, Social Workers, Clinical Staff & Health Professionals are welcome**

**Education Credit:**

The Northern Indiana Education Foundation (NIEF) designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)<sup>TM</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity. The Northern Indiana Education Foundation (NIEF) is accredited by the Indiana state Medical Association to provide continuing medical education for physicians.

**Disclosure:** Planners and Dr. Spreen have no relevant financial relationship with commercial interests
